MEMORANDUM TO FILE

TO: File

FROM: Toni Loper, Public Utility Analyst II

SUBJECT: **IN THE MATTER OF THE APPLICATION OF COMMERCE ENERGY, INC FOR A CERTIFICATE TO PROVIDE ELECTRIC SUPPLY SERVICE WITHIN THE STATE OF DELAWARE (FILED OCTOBER 9, 2007) – PSC DOCKET NO. 07-275**

On January 31, 2017, Commerce Energy, Inc. ("Commerce" or the "Company")¹, filed an application with the Delaware Public Service Commission ("Commission") requesting a name change to Just Energy Solutions Inc.

On January 31, 2017, Staff requested additional information regarding the name change to include: a) a copy of the Certificate of Good Standing issued by the Delaware Secretary of State, B) a copy of the Delaware Business License issued by the Delaware Division of Revenue, and c) a statement of impact on current contracts, and d) the date and method of notification to customers of the name change. On February 9, 2017, the Company provided the requested information to the Commission.

On February 6, 2017, the Company informed the Commission that all customers will be notified on or about February 20, 2017, via letter, of the name change effective April 1, 2017. On April 3, 2017, the Company submitted the requested Certificate of Good Standing and will file the permanent Business License as soon as it is received by the Company.

It does not appear that the requested name change will affect electric supply service to any Delaware customers. The Company's application states that all existing terms and conditions with existing customers will continue in force and effect, without modifications in service.

The Company's request for a name change appears to be reasonable and meets the requirements of Supplier Rules. Staff, therefore, recommends the Commission recognize the name change.

¹ The original CPCN certification was granted to Commerce Energy, Inc. in PSC Docket No. 07-725, Order No. 7330 issued December 18, 2007.
